Rising Above the Challenge

Congratulations to all RE/MAX Associates for your achievements in 2009!

No matter what’s being reported by the media, through perseverance, ingenuity and skill, RE/MAX of Indiana Associates continue to out-produce the competition! You’ve proven once again that the best real estate professionals, with an average of over 14 years experience in the industry and an average of over 17 transactions per associate, are with RE/MAX of Indiana!

At RE/MAX of Indiana, we continue to develop ways to offer you more support, educational opportunities and resources to help you grow and succeed. RE/MAX continues to dominate the national TV share of voice with 74% of all real estate ads being RE/MAX. The TV campaigns drive traffic to remax.com, which drives more leads to RE/MAX agents and offices. In Indiana, more than 145,000 leads were distributed in 2009 directly to RE/MAX of Indiana associates!

Our RE/MAX associates continue to lead the industry in the number of professional designations, experience and production. Our associates continue to evolve with the industry to meet the unique needs of today’s buyers and sellers; over 60% of all associates that have earned the Certified Distressed Property Expert designation are RE/MAX associates.

The RE/MAX brand continues to be a trusted symbol around the world and we are positioned for success no matter what the market conditions may dictate. Thank you for your hard work, integrity and professionalism and we wish you nothing but great success in 2010!

Rising Above the Challenge

These awards are given to individuals who have played a key role in the success of the office and its agents over the past year. Broker/Owners submit nominations at the end of the year to the Regional Office highlighting their nominee’s outstanding effort and service throughout the year. The Regional Office selects one individual for each category.

Manager of the Year

Debbie Sweat
RE/MAX Acclaimed Properties, Bloomington

Debbie has been a manager with RE/MAX since 1991. In 2007 when Acclaimed Properties opened, Debbie joined the team and has been instrumental in being the fastest growing franchise in state from 2007 to 2008. In 3 years, the office has become the top selling office in the local board (currently 20%), increased RE/MAX share in board to 32% (highest ever by 50%). Debbie juggles managing this growing office and is the personal assistant to the #1 individual agent in the state in 08 and 09 and the Broker of the year in 09. All this has been accomplished with her and a receptionist as the only staff.

Office Administrator of the Year

Debby Lloyd
RE/MAX Real Estate Groups, Anderson

Debby Lloyd has been with the Anderson, IN office of Real Estate Groups for 2 1/2 years. She is a valuable asset to our organization and is loved and respected by all! Each and every day she anticipates the needs of our agents and makes sure they receive exceptional support services. Debby is pleasant, dependable, loyal, and professional. She effectively represents both our company and the RE/MAX brand. We are thrilled to have Debby as the administrative cornerstone of our team!

Rookie of the Year

RE/MAX of Indiana recognizes an individual each year who is new to our organization and embraces all RE/MAX has to offer. This year we salute Ryan Orr and his team.

Ryan Orr
RE/MAX Real Estate Groups (Muncie)

Ryan Orr and his father joined the Real Estate Groups in Muncie, Indiana a year ago and have been extremely successful. As team leader of the Orr Selling Team, Ryan has embraced many of the tools and technology RE/MAX offers. He is knowledgeable about Leadstreet, and he is conscientious about following up with the leads he receives. Ryan is computer savvy and it shows. His website is up to date, interactive and engaging. From his website, you can link to his blog, search for properties and speak to a team member. Ryan has been working many of the HUD and foreclosure listings successfully as well as using his advertising budget wisely. RE/MAX of Indiana wants to recognize Ryan and his team for a great first year!

URGENT
As of January 1, 2010
A/C may not be repairable!

Coming soon R410A coverage included in basic plan on the new warranty contract. (to be launched Feb. 2010)

2-10 HBW Resale™ has your solution!

Federal mandate requires air conditioning systems to go green with R410A, in an effort to reduce the depletion of the ozone layer.

R410A (Puron®) is the new standard refrigerant – repair and replacement costs will be much higher for these systems.

Agents and 2-10 HBW team up to save homeowners thousands of dollars on additional costs associated with R410A changes.

More than 1 in 3 of our customers has an HVAC claim.

That’s why you need the New 2-10 HBW Resale program which includes R410A coverage in the basic plan.

Our contract states:
“For units using HCFC-22 refrigerant and when repair/replacement parts of failed covered equipment is not available, repair/replacement will be performed with R410A equipment, including equipment required to ensure compatibility with the working equipment.”
